📅 22 May, 2003

EDUCATION

B.Tech
KPR Institute of Engineering and Technology

11/2020 - 12/2024   *Coimbatore*

Courses
- Artificial Intelligence and Data Science

ORGANIZATIONS

KPR Institute of Engineering and Technology
student

SKILLS

Problem Solving   Data Science   Machine Learning

Deep Learning   Data Analyst   Neural Network

Website Development   Python

PERSONAL PROJECTS

Online Food Ordering System

Movie Recommendation System

Machine Learning Models

Deep Learning Models

CERTIFICATES

Design Thinking
From Taylor's University

Kaggle
Completed Python, Pandas, Data Visualization, Ml courses

AICTE NPTEL
Completed NPTEL courses on Data Science of Engineers and gained Elite grade

IBM - cognitive.ai
Completed Machine Learning with Python , Deep Learning with Tensor Flow

Simplilearn
Completed Python, Getting started with ML Algorithms, Getting started with Node.js and TensorFlow for beginners

Codedamm
Completed Advanced HTML5 and CSS , Advanced Node.js and React.js

LANGUAGES

Tamil   ● ● ● ● ●

English   ● ● ● ● ●

INTERESTS

Python   Data Science   Machine Learning

Deep Learning   Neural Network

Back-end Development   Python module
